9. **TIME LIMITS** (prescriptions to RRS 35):

a. ONE-DESIGN RACES: If the mark closest to two (2) miles has not been rounded in sixty (60) minutes or less after the start, the race shall be shortened with appropriate signals and finished at that mark. The time limit for the shortened course shall be two (2) hours; if the mark closest to two (2) miles is rounded in sixty (60) minutes or less, the original course shall be sailed and the time limit shall be three (3) hours. However, nothing in the above shall restrict the authority of the Race Committee to shorten a course.

c. Ties shall be decided as follows: That yacht is the winner which has finished ahead of the other or each of the others more often than it has finished behind. Or if that leaves a tie, that yacht is the winner which has the most firsts, or if that leaves a tie, the most seconds etc. If a tie remains, it shall be decided in favor of the boat that finished ahead of the other boat in the last race of that series. (Replaces RRS A8)
d. Scoring of long series:

- Tuesday Night Series – all classes – Best 80% of all races.
- Lightning Weekend Series' – Best 80% of races sailed.

11. **PROTESTS**: A yacht having reason to protest must notify the other yacht and conspicuously display a red flag at the first reasonable opportunity in accordance with RRS 61.1. Protests should be submitted on an official Protest Form (available at the front desk of the Club), and must be filed at the clubhouse desk within two (2) hours of the last yacht's finishing time.

12. **THURSDAY NIGHT RACING**
    a. COURSES AND STARTING SEQUENCES: Racing Instructions including the Race Courses and Starting Sequences for Thursday Night Racing will be available to competitors before the beginning of each series. It is the responsibility of each competitor to obtain a copy and be familiar with the contents.

No boat may change divisions after a series has started
    c. ENGINES: All yachts must have an operational auxiliary engine
    d. COURSE ANNOUNCEMENT: The race committee may announce the race course for each class or division on VHS Radio Channel 72 prior to the first

Warning Signal.

e. CHECKING IN: Each yacht intending to race shall check in with the Race Committee boat before her Warning signal and report Boat Name, Sail Number, and Division using VHF Channel 72. (Modification to Rule 8c above to specify use of radio)

f. WITHDRAWING: Any boat withdrawing from a race must notify the Race Committee using Channel 72. (Modification to Rule 8d above to specify use of radio)

g. CLEAR STARTING AREA: No boat shall enter the starting area before her warning signal has been sounded. Any boat failing to stay clear of the starting area may be assessed a 120 second penalty by the Race Committee or may be protested by a competitor for failure to stay clear.

h. THURSDAY NIGHT TIME LIMITS:

   a. Race time limit is to be calculated on basis of two (2) knots speed for first boat to finish with time rounded off to the next highest half hour.

   b. Example: A course of X-6-4-2-6 is 0.6+0.85+0.85+1.20 = 3.5 Nautical Miles. Thus, 3.5 NM ÷2 kts = 1.75 hours. Rounding up to the next half-hour gives a time limit for that course of 2 hours.

   c. Notwithstanding the foregoing, the time limit so calculated shall be no shorter than one (1) hour.

   d. If any boat does not finish within one (1) hour after the leading boat has finished or within 30 minutes of the time limit (whichever is later), the Race Committee may award such a boat a finishing place at the boat's position on the course and declare the race complete.
